

CLUB CHAMPIONSHIP RULES 2017

Playing in the BVTC Tennis Tournament is a great way to not only play tennis in a fun and competitive environment but also an excellent way to meet new people.

- The BVTC tournament is restricted to adults.
- Members may compete in more than one category. Singles, doubles or mixed.
- Please sign up via email to yenn Tenn@gmail.com. Please make sure you state the category you are interested on entering.
- Members are responsible for scheduling their own matches. Please advise the club attendant that you are playing a match for the championship.
- Pro-sets up to 8 games (with a margin of 2 games) for all matches except finals.
- Best out of 3 sets for the final matches.
- Draws will be posted at the club and online so players and members can follow tournament progress.
- Each side (singles or doubles) should bring a new can of balls to each match. The winning side takes the new, unopened balls, which are then used for the next round of play. For semi and final rounds, the Club provides new balls.
- After your match please report your score on the draw sheet and via email to yenn Tenn@gmail.com
- There is a specific time frame to schedule each round of matches. (Starting the week of July 31st) This ensures that each tournament category will finish by the Finals Weekend (September 17th). If you are unable to complete your match on time, you must forfeit. **Please play your matches by the scheduled deadline!**
- For the Finals: The draws and match start times will be posted in the clubhouse. It is the responsibility of players (and their doubles partners) to be on time for their matches.
- Dates:
 - 7/31 Draws Posted
 - Refer to draws for deadlines.
 - 9/17 Finals

Please Note: There will be no substitutions of players once a tournament has started.
